

WHAT IF...

One of your hottest selling products could be improved in order to:

1

Keep food fresher longer.

2

Improve a flaw a competitor recently exploited and developed a product for.

3

Create an entirely novel use for your product in an untapped market.

4

Protect food in SEVEN new ways.

Wouldn't you want to know?

For a demonstration, call Lucid Designs at 888.84LUCID.

thinking outside of the box
